

1. Overview

A three-page document with matching headings and PDF bookmarks.

Select text, adjust zoom, rotate pages, or switch reading modes.

The Contents panel uses the bookmarks embedded in this PDF.

Contents

1. Overview

2. Navigation

3. Interactive Forms

[Continue to page 2](#)

2. Navigation

Choose a section in Contents to navigate to its matching page.

Click a thumbnail to select a page; repeated clicks remain supported.

Single page mode displays only the selected page.

Continuous mode scrolls to the selected page without replacing it.

Fit width adapts to the available space in the page panel.
